"Tracking Down Old Memories"

LONGVIEW HIGH SCHOOL
Longview, Texas

FOREWORD

In producing this book, we, the editors, along with our sponsor and our staff, have tried to TRACK DOWN as many wonderful memories as possible during this school year, 1960 and 1961. We have found that each individual student has contributed to the making of this book. Our one purpose will be achieved if, in TRACKING DOWN OLD MEMORIES, we have captured the memories that will be most meaningful to each of you.

We wish to thank our efficient sponsor and our truly dependable staff for giving us their time and effort in order to publish such a book. To us, it has been a challenge to be your editors, as well as a privilege, and certainly a pleasure.

May you, the student body and faculty, find a bigger and better book, as we present you the 1961 LOBO.

Your editors,
BETTE BUTTER
NANCY HARRINGTON

STUDENT COUNCIL

The Student Council is the governing body of the school. Representatives and alternates are chosen in each homeroom by popular vote. The council sponsors varied activities throughout the year including dances, assemblies, morning devotionals, school projects, and service projects.

Every spring the members attend a forum held for the purpose of exchanging ideas with other student councils of this area. Each summer the officers attend a workshop at S.M.U.

The project for this year was a play "By the Skin of Our Teeth" presented in December by a cast selected from the student body. The service project was the publishing of the student directory.

IN MEMORIAM

JIMMIE DON FELTS

August 9, 1944 January 11, 1961

Crossing The Bar

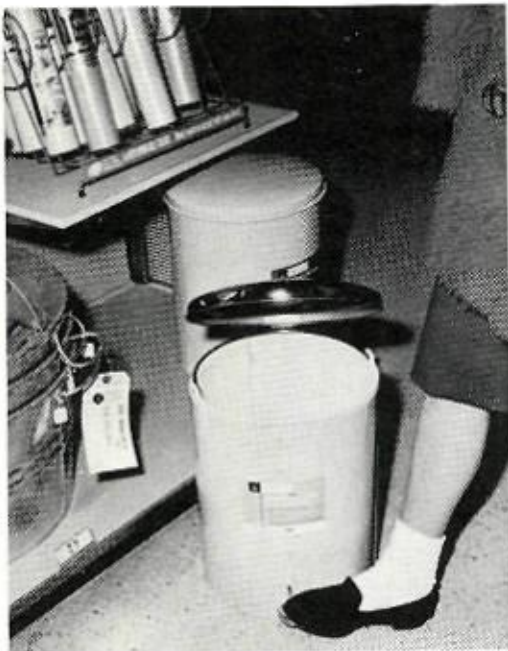

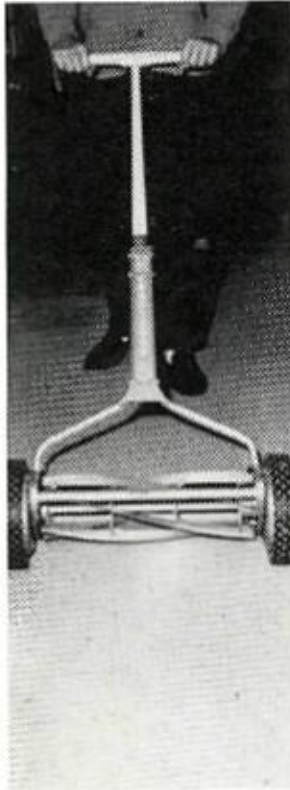

*Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea.*

*But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the
boundless deep,
Turns again home.*

*Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;*

*For though from out our bourne of Time
and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.*

Dear Betty,

You are really the coolest of all
the Sophomore girls. We have really
had some work in on good times
in games we will have to leave
a little more this summer when
we go to ~~Shelburne~~ I can hardly
wait!

I am very glad that we have
gotten to be such good friends. I
hope that our friendship will grow
as the years pass & want to
wish the best of luck to someone
who really deserves it. I hope
the best for you always!

Dear Betty,

I guess you a pretty cool,

Dear Betty,

I can't begin to tell you how much I appreciate all you and your family has done for me. I have enjoyed so many, many good time with you and your family. Everyone of you have done so much to make my summer days happy. We have had a ball at the lake and the many good trips to Dallas. They were all times I shall always remember.

You are a very sweet girl and one I will always be glad to call my friend. You have a "bubbly" personality and friendly smile that you should always keep. For these are the traits that will give you the happiness you deserve.

I hope all of your dreams come true and that we may always remain friends.

May God bless you and keep you always. My love and friendship always, Dad

Dear Betty,
I believe the
past few weeks we
have been dating have been
among the most enjoyable weeks
of my life. So say I love you might
seem like too much & to say I like you
might not seem like enough. Maybe it's
somewhere in between. Whether or not we're
still dating by the time I go off to college
next year I am sure I will miss you. I am
looking forward to our future dates and hope
that we will continue to have a lot of fun.
your next two years in high school will seem
to fly by. Make the most of them. When you're
an old grandmother of you will have a lot of happy
looks & personalities close. I am sure with your
happy life.
I hope you don't take me too seriously when I get
in a bad mood or get mad. Sometimes when I get
rather oranges in my C & R E. Packages and you
wear an orange dress to take it out or you. Like every body
and I just have to take it. I will always
else, I have problems. Don't ever expect anything from
with my tensions. Don't ever expect anything from
anybody, just hope for it. I will always
remember you, Betty and regardless of what
happens, you will always be one of my
favorite persons. Be good, lots of love,
& all that. Love always,
Be. Rep
P.S. Settle your
dog.
